6. ORDERS AND INSTRUCTIONS

6.1 The Client may provide Saxo Capital Markets with instructions and orders in the form and using the media determined by Saxo Capital Markets from time to time. Placement of orders by telephone may (to the extent permitted by law) be subject to higher commissions than placement of orders via the Trading Platform.

6.2 The Client’s instructions and orders are binding on the Client when received by Saxo Capital Markets. If the Client wishes to withdraw an instruction or order to Saxo Capital Markets that has not yet been executed, the Client may contact Saxo Capital Markets and request that the order be cancelled, but Saxo Capital Markets is under no obligation to accept the cancellation of such instruction or order. 6.4 Only the Settlement/Trade Confirmation made available to the Client constitutes Saxo Capital Markets’ confirmation of the execution of a Contract or order. Confirmation by the Trading Platform itself, when the Client transmits instructions via the Trading Platform, does not constitute confirmation of the execution of a Contract or order.

6.5 In the event that the Client considers that it has placed an instruction or order, but the Client has not received a Settlement/Trade Confirmation, the Client must contact Saxo Capital Markets immediately. In the absence of such immediate notice from the Client, the order, transaction or Contract may at Saxo Capital Markets’ sole discretion be deemed non-existent even if received by Saxo Capital Markets.

6.6 Saxo Capital Markets will handle orders and instructions in accordance with its Order Execution Policy and applicable law. If Saxo Capital Markets believes that it is not reasonably practicable to act upon instructions or orders from a Client within reasonable time, Saxo Capital Markets (i) may defer acting upon that instruction or order until it is, in Saxo Capital Markets’ reasonable opinion, practicable to do so, or (ii) notify the Client that Saxo Capital Markets will not act upon such instruction or order. Saxo Capital Markets may cancel any order for an Instrument if the specific Instrument is suspended or delisted from trading or have their quotations withdrawn from the exchange where they are traded.

6.7 Saxo Capital Markets supports different order types which are described in, and executed in accordance with, its Order Execution Policy. For the avoidance of doubt, Limit Orders and Stop Orders are not guaranteed executable at the price or amount specified by the Client, but will be executed in accordance with Saxo Capital Markets’ Order Execution Policy in the absence of an Event of Default of the Client.

6.8 The Client shall be responsible for (i) all orders and instructions provided, (ii) the accuracy of all information sent via the Internet in the Client’s name and (iii) passwords and any other personal identification means implemented to identify the Client.

Further, Saxo Capital Markets may refuse to act if such disposal, in Saxo Capital Markets’ sole discretion, will put the Client’s and/or Saxo Capital Markets’ financial position at risk.

Saxo Capital Markets is not responsible for any delay, alteration, redirection or any other modification an e-mail or other message may undergo after transmission from Saxo Capital Markets. A message on the Client's account on the Trading Platform is considered received by the Client when Saxo Capital Markets has placed the message on the Trading Platform. It is the responsibility of the Client to ensure that the Client's software and hardware setup does not prevent the Client from receiving e-mails or accessing the Trading Platform.

7.4 The Client is obliged to verify the contents of any communication, notice, statement or document, from Saxo Capital Markets whether sent electronically or in print. Such content, shall in the absence of manifest error be deemed conclusive evidence, unless the Client notifies Saxo Capital Markets in writing to the contrary immediately after having received such communication, notice, statement or document.

7.5 In order to protect the interests of the Client and/or Saxo Capital Markets, the Client shall promptly carry out any action, which Saxo Capital Markets may reasonably request, e.g. in relation to Corporate Actions. If the Client does not carry out such an action promptly, Saxo Capital Markets may at its sole discretion take such steps, at the Client's cost, as Saxo Capital Markets considers necessary or desirable for its own protection or the protection of the Client. This provision is similarly applicable in situations where Saxo Capital Markets is unable to obtain contact with the Client.

7.6 Saxo Capital Markets may (but is not obliged to) require confirmation in such form as Saxo Capital Markets may reasonably request if an instruction is to close an Account or remit money due to the Client or if it appears to Saxo Capital Markets that such confirmation is necessary or desirable.

A personal user ID and password will be provided by Saxo Capital Markets to the approved holder of the power of attorney. Saxo Capital Markets can only undertake to register one power of attorney per Client. Saxo Capital Markets must be informed in writing if the Client wishes to revoke such power of attorney, to change the extent of the power of attorney, or grant a power of attorney to a different person.

9.2 The Client shall enter his/her user ID and password when logging on to the Trading Platform. The Client shall memorise the password. Entering an incorrect password five times in a row will automatically terminate the connection and block the user ID. Saxo Capital Markets shall inform the Client of a termination/blocking and the reasons for it, where possible, before the termination/blocking, and if this is not possible, immediately thereafter, unless giving such information will compromise objectively justified security reasons.

9.3 If the Client becomes aware, or suspects, any unauthorised use of the Trading Platform and/or that the Client's password has been misappropriated by a third party, the Client shall immediately notify Saxo Capital Markets, via telephone 1300 660 734, to block the password, Account and Trading Platform. Open orders and positions placed on the Trading Platform before any blocking will not be affected hereby, unless the Client specifically requests otherwise. Upon the blocking of a password, the Client may order a new password.

9.4 The Client is obliged to keep passwords secret and ensure that third parties do not obtain access to the Client's Account(s) or Trading Platform(s).

9.5 Subject to Clause 9.7 and mandatory applicable law, the Client is liable to Saxo Capital Markets for orders and Contracts placed or entered into by use of the Client's password, even if such use proves wrongful, and for any other unauthorised use.

10.12 The Client understands and accepts that the Client is liable for and must carry all costs applied by other banks used for routing the funds to the Client’s account with the beneficiary bank.

11. DEFINITIONS AND INTERPRETATION OF TERMS

11.1 The Client accepts and acknowledges that Saxo Capital Markets shall have the right (in addition to any other rights Saxo Capital Markets may have under these Terms, or under Australian law in general) to refuse orders to establish new or larger positions or to buy or sell Instruments. Saxo Capital Markets will inform the Client as soon as practicable regarding such refused orders and the reason for the refusal.

11.2 The Client accepts and acknowledges that Saxo Capital Markets shall have the right (in addition to any other rights Saxo Capital Markets may have under these Terms, or under Australian law in general) to reduce the size of the Client’s open positions (net or gross). Saxo Capital Markets will inform the Client as soon as practicable regarding such reduction and the reason hereof. Situations where Saxo Capital Markets may exercise the right to reduce the size of the Client’s open positions include, but are not limited to, situations where:

i. Saxo Capital Markets has reason to believe that the Client may be in possession of Inside Information;

ii. Saxo Capital Markets considers that there are abnormal trading conditions.

iii. the value of the Client’s Collateral (as determined by Saxo Capital Markets in accordance with Clause 22.7) falls below the Margin Requirement;

iv. Saxo Capital Markets considers that the Client may be in breach of any applicable Law or Market Rules;

v. either the Client or Saxo Capital Markets is so requested by ASIC or any other regulatory agency or authority;

vi. the Client has a negative cash balance on any Account; or

vii. an Exceptional Market Condition occurs or is likely to occur.

11.3 Unrealised losses of EUR 100,000 (or equivalent) or more in Margin Positions can potentially cause unnecessary risks to the Client and Saxo Capital Markets. The Client accepts and acknowledges that if unrealised losses on Margin Positions in
aggregate exceed EUR 100,000 (or equivalent), Saxo Capital Markets has with 8 Business Days’ written notice to the Client the right, but not the obligation to:

i. Initiate netting of positions in accordance with the FIFO Principle and cancel all or part of the Client’s Related Orders, and/or

ii. Close all or part of opposite Margin Positions at the prevailing market rate (the Closing Rate) and opening new similar positions at the Closing Rate, and/or

iii. Close all or part of the Margin Positions by executing directly opposite trades, thereby realising the losses suffered. The unrealised loss is calculated as the sum of all the unrealised losses deducted the unrealised profits of all the Client’s Accounts with Saxo Capital Markets.

11.4 When the Client instructs Saxo Capital Markets to enter into a position opposite to one or more of the Client’s existing open positions, Saxo Capital Markets will close out the opposite position in accordance with the FIFO Principle, unless the existing position has Related Orders or otherwise agreed between Saxo Capital Markets and the Client. However, even where there is a Related Order to an existing position, Saxo Capital Markets will wholly or partially close out the existing position in accordance with the FIFO Principle if Saxo Capital Markets can only partially fill an opposite order. Any Related Order to the existing position will thereby be cancelled, but the Client can place new Related Orders in relation to any remainder of such existing positions.

11.5 Subject to Clause 11.4, the Client acknowledges that Saxo Capital Markets has the right, but not the obligation, to close opposite positions, wholly or partly, regardless of whether the opposite positions are held on the same Account or separate Accounts.

11.6 The Client is specifically made aware that unless closed manually, FX positions and FX commodities may be rolled over on a continuous basis and the Client will thereby incur a cost for such roll over in relation to each position.

12. PRICES, ERRORS AND CHANGES IN CONDITIONS

12.1 If the Client makes any payment which is subject to any currency fluctuations, withholding or deduction, the Client shall pay to Saxo Capital Markets an additional amount to ensure that the total amount actually received by Saxo Capital Markets is equal to the full amount Saxo Capital Markets would have received had no currency fluctuations, withholding or deduction been made.

12.2 Saxo Capital Markets may offer real time tradable prices to the Client. Due to delayed transmission, the price offered by Saxo Capital Markets may have changed before an order or instruction from the Client is received by Saxo Capital Markets. Saxo Capital Markets shall be entitled to change the price on which the Client’s order or instruction is executed to the market value at the time at which the order from the Client is received or executed.

12.3 Prices offered by Saxo Capital Markets regarding the sale, purchase or exercise of Listed Derivatives reflect the price of the relevant Reference Derivative. Due to the period from the Client’s acceptance or instruction regarding a Listed Derivative until the execution of the relevant Reference Derivative on the Licensed Market by the Listed Derivative Counterparty, another third party or Saxo Capital Markets (as the case may be), the price as listed on the Trading Platform is subject to change, in order for the Listed Derivative to reflect the price of the relevant Reference Derivative at the time of its execution or exercise (as applicable).

12.4 (i) In the event that a price quoted by Saxo Capital Markets or at which any Contract or other transaction is entered into (including where confirmed in a Settlement/Trade Confirmation) does not reflect the market price (e.g. due to market liquidity, announcements affecting the market, misfeeds from providers of prices, quotes from Liquidity Providers, or suspension of trading) (a “Misquoted Price”) or (ii) if an Exceptional Market Condition occurs or is likely to occur, Saxo Capital Markets may in its sole discretion either (a) refrain from executing, or cancel, any Contract or any purchase or sale of any Instrument which is, or purports to have been, entered into at the
Misquoted Price, (b) execute the Contract or the sale or purchase of any Instrument at the Misquoted Price or the price which in Saxo Capital Markets’ reasonable opinion reflects the market price, or (c) change any Contract or purchase or sale of any Instrument already executed to the price which in Saxo Capital Markets’ reasonable opinion reflects the market price.

12.5 If Saxo Capital Markets can (i) document the existence of errors in prices, Commissions and Charges, other commissions and/or in the Trading Platform at the time of the conclusion of the Contract or order and (ii) render probable that, based on the Client’s trading strategy or other behaviour, the Client deliberately and/or systematically has exploited or attempted to exploit such errors, Saxo Capital Markets is entitled to take one or more of the following counter-measures:

i. Adjust the price spreads and/or liquidity available to the Client;

ii. Restrict the Client’s access to streaming, instantly tradable quotes, including providing manual quotation only;

iii. Retrieve from the Client’s Account any historic trading profits that have been gained through such behaviour at any time during the relationship between the Client and Saxo Capital Markets; and/or

iv. Terminate the relationship between the Client and Saxo Capital Markets immediately by giving written notice.

12.6 If (i) the Licensed Market, on which a Reference Derivative is traded, and/or (ii) the Listed Derivative Counterparty takes any action which affects the Reference Derivative or the contract Saxo Capital Markets has entered into with the Listed Derivative Counterparty, then Saxo Capital Markets may take any action with regard to the relevant Listed Derivative which Saxo Capital Markets in its sole discretion considers desirable or appropriate to (a) match the action taken by the Licensed Market and/or Listed Derivative Counterparty or (b) mitigate any loss which is or may be incurred by it as a result of such action.

12.7 The Client acknowledges, recognises and understands that:

i. The execution of all transactions in Instruments which are traded on Licensed Markets, and many Contracts, will be effected subject to, and in accordance with, Market Rules;

ii. Market Rules usually contain far reaching powers for authorities and market places in an emergency or otherwise undesirable situation;

iii. If any Licensed Market or clearing house takes any action which affects a transaction in Instruments or a Contract, directly or indirectly, including any Listed Derivative, then Saxo Capital Markets is entitled to take any action which Saxo Capital Markets in its sole discretion considers desirable or appropriate in relation to any Contract or transaction with any Client;

iv. Where any transaction is effected by Saxo Capital Markets as Agent for the Client, delivery or payment (as appropriate) by the other party to the transaction shall be at the Client’s entire risk; and

v. Saxo Capital Markets’ obligation to deliver Instruments to the Client or to account to the Client or any other person on the Client’s behalf for the proceeds from a sale of Instruments, shall be conditional upon receipt by Saxo Capital Markets of deliverable documents or sale proceeds (as appropriate) from the other party or parties to the transaction.

13. AGGREGATION AND SPLIT

13.1 Saxo Capital Markets is entitled to aggregate the Client’s orders with Saxo Capital Markets’ own orders, orders of any member of the Saxo Bank Group and/or persons connected with Saxo Capital Markets, including employees and other clients.

13.2 Saxo Capital Markets may split the Client’s orders when executing these.

13.3 Orders will only be aggregated or split if Saxo Capital Markets reasonably believes it to be in the best interest of Clients. On some occasions, aggregation or split of the Client’s order may result in the Client obtaining a less favourable price than if the Client’s orders had been executed without being aggregated with other orders or split, which the Client accepts.
14. HANDLING OF CLIENTS USING JOINT ACCOUNTS

14.1 In relation to Joint Accounts:
   i. the liabilities of each of the Joint Account Clients on a Joint Account shall be direct, joint and several;
   ii. Saxo Capital Markets may act upon instructions received from any one person who is, or appears to Saxo Capital Markets to be, a Joint Account Client;
   iii. any notice or other communication provided by Saxo Capital Markets to one Joint Account Client shall be deemed to have been provided to all Joint Account Clients of the relevant Joint Account; and
   iv. if an Event of Default has occurred in respect of one Joint Account Client, then such Event of Default shall be deemed to have occurred in respect of all the Joint Account Clients of that specific Joint Account and all of the rights of Saxo Capital Markets, including under Clauses 22-24 and 26 shall apply in relation to all the Joint Account Clients of the relevant Joint Account.

15. USE OF LIQUIDITY PROVIDERS FOR EXECUTING ORDERS OR CONTRACTS

15.1 For the execution of an order or Contract on a Licensed Market, of which Saxo Capital Markets is not a member, or for the execution of any other Client instruction, Saxo Capital Markets may, at Saxo Capital Markets’ own discretion, select any Liquidity Provider to carry out such execution.

15.2 Saxo Capital Markets shall not be responsible for errors committed by such Liquidity Providers unless it is proven that Saxo Capital Markets has not acted with sufficient care when selecting the Liquidity Provider.

16. INTRODUCING BROKERS

16.1 The Client may have appointed or been referred to Saxo Capital Markets by an Introducing Broker. Saxo Capital Markets shall not be responsible for any agreement made between the Client and the Client’s Introducing Broker. The Client acknowledges that any such Introducing Broker will either be acting as an independent intermediary or an Agent for the Client and that no such Introducing Broker shall be authorised to make any representations concerning Saxo Capital Markets or Saxo Capital Markets’ Services.

16.2 The Client is specifically made aware that the Client’s agreement with its Introducing Broker may result in additional costs as Saxo Capital Markets may pay fees or commission to such person, which will be disclosed to the Client.

16.3 The Client is also specifically made aware that the Client’s agreement with its Introducing Broker may result in additional costs for the Client as the Introducing Broker may deduct commissions and fees as well as price or interest/financing rate adjustments for any trade conducted on or allocated to the Client’s Account either by the Introducing Broker or the Client.

16.4 If the Introducing Broker undertakes any deductions from the Client’s Account according to any agreement between the Client and the Introducing Broker, Saxo Capital Markets has no responsibility as to the existence or validity of such an agreement.

16.5 If the Client wants an Introducing Broker to manage the Client’s Account(s), the Client shall provide a power of attorney to Saxo Capital Markets. Saxo Capital Markets shall have no responsibility or liability to the Client for following the instructions given by an Introducing Broker under any power of attorney or for any other actions or omissions of any Introducing Broker.

16.6 Saxo Capital Markets is under no obligation to supervise or review any payment instructions or any other acts, including, but not limited to, the trading, of the Introducing Broker.
16.7 Saxo Capital Markets is not responsible for the size or reasonableness of any commissions and/or fees, as well as any price or interest rate, paid by the Client to the Introducing Broker.

17. SETTLEMENT AND DELIVERY OF INSTRUMENTS

17.1 The Client shall be obliged to promptly make any payment or deliver any Instrument under a Contract in accordance with (i) the terms of that Contract and (ii) any instructions given by Saxo Capital Markets for the purpose of enabling Saxo Capital Markets to perform its obligations under any corresponding contract entered into between Saxo Capital Markets and a Liquidity Provider, including Listed Derivative Counterparties.

17.2 If the Client does not provide Saxo Capital Markets with notice of its intention to exercise a Contract, which requires an instruction from the Client, at the time stipulated by Saxo Capital Markets, Saxo Capital Markets may assume that the Client has given up the Contract, subject to Clause 17.3. If the Client wishes to exercise such a Contract, the Client must provide Saxo Capital Markets with notice thereof in reasonable time (and within applicable cut-off times) for Saxo Capital Markets to exercise the corresponding right under any Contract, including any Contract entered into by Saxo Capital Markets with an Listed Derivative Counterparty in relation to Listed Derivatives.

17.3 Listed Options, with put or call options as Reference Options, that close one Tick or more In the Money on the last trading day, will automatically be exercised, regardless of whether the Client has purchased or sold the Listed Option. The Client cannot instruct Saxo Capital Markets to refrain from exercising Listed Options that are In the Money at expiry, and cannot at any time instruct Saxo Capital Markets to exercise Listed Options that are Out of the Money.

17.4 When Saxo Capital Markets is notified by its Liquidity Providers that one or more short option positions have been exercised in relation to short Listed Options, Saxo Capital Markets will apply a random method of allocating the exercised positions among the relevant Clients. Saxo Capital Markets’ allocation method randomly selects short Listed Options among all Saxo Capital Markets’ relevant Clients, including Listed Options opened immediately prior to the allocation. All short Listed Options are subject to the exercising of any rights and allocation at any time. When a short Listed Option is allocated, the relevant Client is obliged to, within the applicable time of delivery, deliver (i) the Instrument or relevant amount of cash in case of a short call Listed Option and (ii) the relevant amount of cash in case of a short put Listed Option, to effect settlement.

17.5 Settlement of Listed Options shall correspond to the settlement of the relevant Reference Option in accordance with the applicable Market Rules and terms and conditions, and

i. for Listed Options with a cash settled option as Reference Option, final settlement requires payment of the cash difference between the value of the Reference Option and the strike price;

ii. for Listed Options with physically settled options as Reference Options, the Listed Options will settle into physically settled options between Saxo Capital Markets and the Client;

iii. a Listed Option, which has an option on a future as a Reference Option, will settle into a future, between Saxo Capital Markets and the Client, which matches the relevant future and which is acquired at the strike price;

iv. Saxo Capital Markets will only allow the Client to trade Listed Options which have an option on a future, with physical delivery, as a Reference Option, if the Listed Option expires before the relevant future; and

v. Saxo Capital Markets will require the Client to close any Listed Derivative with physical delivery of commodities before it can be exercised or is completed, as Saxo Capital Markets does not support physical delivery of commodities.

17.6 If any kind of encumbrances, security interests or other rights to Instruments which are provided as Collateral for Contracts or Margin Positions entered into by the Client with Saxo Capital Markets, are registered, Saxo Capital Markets will no longer include such Instruments in the calculation of the satisfaction of the Margin Requirements applicable to the Client (but such
Instruments will still form part of the Collateral). Saxo Capital Markets reserves the right to reject any pledge, attachment or other encumbrance over any Instruments that are pledged in favour of Saxo Capital Markets.

18. DELEGATED TRADE REPORTING

18.1 This section only applies to Clients domiciled in Australia.

18.2 Unless otherwise agreed, Saxo Capital Markets will on behalf of the Client report the entry into, modification and termination of all derivative transactions, between Saxo Capital Markets and the Client, to a Trade Repository ("Delegated Trade Reporting") as required by ASIC.

18.3 Correct performance of Delegated Trade Reporting is subject to the Client timely providing Saxo Capital Markets with the Client’s Legal Entity Identifier code (LEI code) and such other information, as Saxo Capital Markets requires from time-to-time.

18.4 Notwithstanding Delegated Trade Reporting performed by Saxo Capital Markets, the Client remains legally responsible for taking all reasonable steps to ensure the completeness, accuracy and currency of the information reported. The Client is encouraged to request Saxo Capital Markets and/or the Trade Repository for access to view all derivative transactions reported by Saxo Capital Markets under the Client’s LEI code. The Client must notify Saxo Capital Markets immediately if the Client believes there are any inaccuracies in such reports.

18.5 The Client accepts and acknowledges that Saxo Capital Markets is not in breach of any restrictions on disclosure of information imposed by any agreement or by any legislative, regulatory or administrative provisions when performing Delegated Trade Reporting.

18.6 Any loss or damage the Client may suffer as a consequence of Delegated Trade Reporting is subject to the terms and conditions of these Terms including, but not limited to, the general liability limitation and governing law in Clauses 27 and 35. Saxo Capital Markets is under no circumstances, responsible for indirect loss or damage.

18.7 The Client can at any time, by giving notice to Saxo Capital Markets, choose to discontinue Delegated Trade Reporting. Saxo Capital Markets may discontinue Delegated Trade Reporting by giving not less than three months’ prior written notice to the Client.

18.8 No charge is currently levied by Saxo Capital Markets in connection with Delegated Trade Reporting. However, Saxo Capital Markets reserves the right to charge a fee for Delegated Trade Reporting and may exercise its right to do so by giving no less than two months’ notice to the Client.

19. CORPORATE ACTIONS

19.1 A rights issue is when an existing stockholder is offered a number of new shares proportional to their holding at a specified price for subscription by a specified date. These new shares may be renounceable (tradable) or non-renounceable.

If the Client is holding a stock for which there is a rights issue the Client will receive the rights and have the opportunity to subscribe for new stocks, ignore the rights or sell the rights, if possible.

In order to prevent renounceable rights from becoming worthless when they expire, if the Client by the Instruction Deadline has not instructed Saxo Capital Markets, Saxo Capital Markets may, but is not required to, sell the rights (if possible) on behalf of the Client before the expiry of the rights. The proceeds from a sale of rights will be deducted from the standard commission of the Account.

If the rights are non-renounceable, they will, if not exercised, be worthless at expiry.

19.2 The Client is made aware and acknowledges that in the case of Corporate Actions where the alternative to a cash settlement is the settlement in a security that is not supported by Saxo Capital Markets, the Client will not have the option to choose, but will be given the cash settlement.
19.3 It is standard practice for depositary receipts to charge an annual administration fee per share depending on the issuing depositary bank. The intent of the fee is to cover costs for the banks that take on the operational processes necessary to issue and trade the depositary receipt line. Typically, the fee is deducted when dividend payments are made, however, in case the depositary receipts do not pay a dividend or did not include the custodial fee in their dividend events, the fee will be administered separately.

The dividend fee is stipulated in the deposit agreement between the depositary bank and the company based upon industry standards.

The fee per depositary receipt is not dependent on the total amount of dividend being paid, but the amount of securities held.

19.4 Saxo Capital Markets may charge commission and fees related to Corporate Actions. The prevailing trading costs are set out in the Commissions, Charges & Margin Schedule.

19.5 Taxes and fees may also occur on Corporate Actions such as fees on a stock dividend or tax on a merger. When such taxes and fees occur Saxo Capital Markets may debit the Client’s Account accordingly.

i. significant particulars of the Client, based on which individual conditions were provided, have changed;
ii. changes in the relationship with Saxo Capital Markets’ Liquidity Providers, which affect Saxo Capital Markets’ cost structures; and/or

20.8 Saxo Capital Markets may share any commissions and charges with its affiliates, Introducing Brokers or other third parties or receive remuneration from them in respect of Contracts and other transactions entered into by Saxo Capital Markets. Saxo Capital Markets, to the extent and as required by the Corporations Act, will upon reasonable request and to the extent possible disclose to the Client the amount of commission, markup, markdown or any other remuneration paid by Saxo Capital Markets to any Introducing Broker or other third party.

20.10 Saxo Capital Markets shall disclose to the Client the receipt of, or payment of, any commission including (i) the characteristics of and (ii) the amount of, or method of calculating, the commission to the extent and as required by the Corporations Act.

20.11 The Client accepts that interest charges, commissions, brokerage fees and other costs associated with the Client’s trading activities may be extensive and may, in addition to trading losses, deplete or exceed the value of deposited Collateral and negatively affect the Client’s Account. The Client acknowledges and accepts that frequent transactions may result in a sum total of commissions, fees, price or interest/financing rate adjustments for trades conducted that may be substantial and not necessarily be offset by the net profits, if any, achieved from the relevant trades. The Client is responsible for correctly assessing whether the size of the total commissions, fees, price and/or interest/financing rate adjustments, for trades conducted on the Client’s Account, makes trading commercially viable.

20.12 Unless specified otherwise in these Terms, all amounts to be paid by the Client to Saxo Capital Markets (or Agents used by Saxo Capital Markets) under these Terms shall, at Saxo Capital Markets’ option:
i. Be deducted from any funds, including Collateral and other cash deposits and any Collateral, held by Saxo Capital Markets for the Client; or
ii. Be paid by the Client in accordance with the provisions of the relevant Settlement/Trade Confirmation and/or as instructed by Saxo Capital Markets.

20.13 Furthermore, the Client accepts that the procedures described in Clause 21 and Clause 23 may result in additional indirect costs for the Client.

22. MARGIN REQUIREMENT AND MARGIN POSITIONS

22.1 Saxo Capital Markets' general Margin Requirement for different types of Margin Positions appear from the Commissions, Charges & Margin Schedule available on Saxo Capital Markets' website, www.home.saxo/en-au, as amended from time to time, and may be supplied to the Client on demand. However, Saxo Capital Markets reserves the right to determine specific Margin Requirement for individual Margin Positions and Clients.

22.2 The Client is specifically made aware that the Margin Requirement is subject to change without notice. When a Margin Position has been opened, Saxo Capital Markets is not allowed to close the Margin Position at its discretion, but only at the Client's instruction or according to Saxo Capital Markets' rights under these Terms. However, Saxo Capital Markets may increase the Margin Requirement if Saxo Capital Markets at its sole discretion considers that its risk on a Margin Position or in respect of the Client has increased as compared to the risk on the date of the opening of the Margin Position.

22.3 The Margin Requirement applies from opening a Margin Position and throughout the term of the Margin Position. It is the Client's responsibility to continuously ensure that sufficient Collateral is available on the Account at any time to meet the Margin Requirement. Saxo Capital Markets may, but is not required to, notify the Client if the Margin Requirement is not met ("margin call").

22.4 The Client shall at all times comply with the Margin Requirement and shall pay to Saxo Capital Markets on demand:
   i. Such sums of money as necessary to enable the Client to satisfy the applicable Margin Requirement (whether it be initial or variation on the margin) as Saxo Capital Markets may require from time to time. Saxo Capital Markets may under such circumstances without notice, change the Margin Requirement applicable upon the Client to reflect any such additional collateral requirements, in relation to such execution of orders and Contracts. In such situations, the Client is obliged to pay on demand Saxo Capital Markets any such additional Collateral.

22.6 As Collateral, the Client may deposit cash or with the prior consent of Saxo Capital Markets (i) deposit Instruments, and/or (ii) provide Saxo Capital Markets with a guarantee or indemnity in a form acceptable to Saxo Capital Markets for the purpose of complying with the Client's obligations.

22.7 Saxo Capital Markets may, on a continuous basis and in its sole discretion, determine the value of the Collateral registered on the Client's Account including whether it accepts different types of Collateral to satisfy the Margin Requirement, and Saxo Capital Markets is on a continuous basis entitled to re-determine the value of the Collateral without prior notice to the Client. If Saxo Capital Markets, upon delivery or subsequently, determines that the value of the Collateral does not cover the obligations of the Client (including, but not limited to, the Margin Requirement), the Client shall be obliged immediately to provide additional Collateral in order to comply with its obligations including, but not limited to, the Margin Requirement.

22.8 If the Client fails at any time to have provided sufficient Collateral to meet the Margin...
Requirement, other deposits or other sums due under these Terms, Saxo Capital Markets may close any and all Contracts and Margin Positions and liquidate or sell Collateral in the Account upon notice to the Client and apply any proceeds thereof towards the payment of any amounts owed by the Client to Saxo Capital Markets. Saxo Capital Markets may in its discretion close all or some of the Client’s Contracts and Margin Positions. Saxo Capital Markets can use this right to close Contracts and Margin Positions even if the Client takes steps to reduce the size of open Contracts or Margin Positions or to transfer sufficient funds to Saxo Capital Markets without assuming any liability towards the Client.

22.9 If the Client has several Accounts, Saxo Capital Markets is entitled to transfer cash and Instruments from one Account to another, even if such transfer will necessitate the closing of Margin Positions or other trades on the Account from which the transfer takes place.

22.10 If the Client’s combined exposure in one or more Margin Positions reaches a level which, in case of an adverse market development, may in Saxo Capital Markets’ opinion lead to a significant deficit not covered by the Client’s Collateral, Saxo Capital Markets may, in its sole discretion (i) increase the Margin Requirement and/or (ii) reduce the Client’s exposure by closing or reducing one or more or all of the Client’s open Margin Positions.

22.11 Furthermore, Saxo Capital Markets is entitled, in its sole discretion, to determine that an emergency or an Exceptional Market Condition exists. In addition to any other rights Saxo Capital Markets may have under these Terms, Saxo Capital Markets may among others (i) increase the Margin Requirement, (ii) reduce the Client’s exposure, (iii) close or reduce any or all of the Client’s open Margin Positions and/or (iv) suspend trading.

22.12 If the Client makes any payment which is subject to any price fluctuations, withholding or deduction, the Client shall pay to Saxo Capital Markets such additional amount to ensure that the amount actually received by Saxo Capital Markets will equal the full amount Saxo Capital Markets would have received had no price fluctuations, withholding or deduction been made.

22.13 The Client may not create or allow to subsist any security interest (as defined in the Personal Property Security Act 2009) over any assets held on the Client’s Account with Saxo Capital Markets (other than security interests in favour of entities in the Saxo Bank Group). Any pledge of assets towards another Saxo Bank Group entity is subject to the approval of Saxo Capital Markets.

22.14 The Client directs Saxo Capital Markets to arrange for any Collateral to be held by an intermediate broker or eligible custodian, appointed by Saxo Capital Markets, and the intermediate broker or eligible custodian shall be responsible for claiming and receiving all income and other rights accruing to the Client.

22.15 The Client directs Saxo Capital Markets to:
  i. pass on any money received from the Client in order to satisfy Saxo Capital Markets’ obligations to any third party that have arisen in relation to an order placed by Saxo Capital Markets on behalf of the Client or in relation to Counterparties in relation to the Client’s transaction with Saxo Capital Markets (“Obligations”);
  ii. charge, pledge or grant a Collateral arrangement over Collateral in order to satisfy Saxo Capital Markets’ Obligations to any third party in which case the cash may or may not be held in the Client’s name;
  iii. lend Collateral to any third party in which case the Collateral may or may not be registered in the Client’s name; and
  iv. return to the Client equivalent Collateral other than the original Collateral.

22.16 Saxo Capital Markets will not be obliged to account to the Client for any income received by Saxo Capital Markets as a result of carrying out any of the activities described in this Clause. For the avoidance of doubt, any interest earned on the Client’s Account will be retained by Saxo Capital Markets.
23. SECURITY AND ENFORCEMENT

23.1 For the purpose of securing payment and satisfaction of all Secured Obligations of the Client to Saxo Capital Markets whatsoever, the Client assigns to Saxo Capital Markets by way of equitable mortgage all of its right, title and interest in all Collateral. Saxo Capital Markets may at the Client's expense apply for any registration, perfection or give any notification in connection with a security interest created under this agreement, and may complete and submit all relevant documents (including financing statements, financing change statements, and amendment demands).

23.2 If an Event of Default occurs, Saxo Capital Markets may (i) sell, transfer or otherwise dispose of the Collateral, (ii) obtain registration of the Collateral to its name, (iii) demand and recover all proceeds of Collateral, and (iv) do anything else the law allows an owner or receiver of the Collateral to do. Saxo Capital Markets need not give any notice or demand or allow any time to elapse before exercising any right in respect of Collateral under this Clause unless it is a requirement of law which cannot be excluded. A reference to a notice under this Clause includes any notice under the Personal Property Securities Act 2009 (Cth) (including a notice of a verification statement). A person who acquires Collateral from Saxo Capital Markets need not check whether Saxo Capital Markets has the right to dispose of that Collateral and the Client may not challenge that acquirer’s rights.

23.3 The Client must not dispose of any right, title or interest in any Collateral or allow any security interest to subsist over any Collateral.

23.4 The Client must do anything (such as obtaining consents, signing and producing documents, getting documents completed and signed and supplying information) which Saxo Capital Markets asks and considers necessary for the purposes of (i) ensuring that the security interest is enforceable, perfected and otherwise effective and binding on the Client, (ii) enabling Saxo Capital Markets to apply for any registration, or give any notification, in connection with the security interest so that the security interest has the priority required by Saxo Capital Markets, or (iii) enabling Saxo Capital Markets to exercise rights in connection with the security interest.

23.5 The Client irrevocably appoints Saxo Capital Markets as its attorney to do anything which the Client can lawfully authorise an attorney to do in connection with the Collateral or which Saxo Capital Markets believes is expedient to give effect to its rights. Saxo Capital Markets may delegate its powers as attorney and it and any delegate may act even if this involves a conflict of duty or a personal interest. The Client agrees to ratify any acts of the attorney under this Clause.

23.6 If Saxo Capital Markets exercises its rights to sell any Collateral or property of the Client under this Clause 23, it will effect such sale without liability to the Client, on behalf of the Client and apply the proceeds of sale in or towards discharge of the Secured Obligations.

24. NETTING AND SET OFF

24.1 Saxo Capital Markets may retain, or make deductions from, any amounts which Saxo Capital Markets owes to or is holding for the Client and may apply those amounts in satisfaction of any amounts that are due from the Client to Saxo Capital Markets or their Associates.

24.2 The Client authorises Saxo Capital Markets, at its discretion, at any time and without notice or liability to the Client, to sell, transfer or otherwise dispose of, and/or charge in any manner any or all of the Client’s property of which Saxo Capital Markets or any of its Associates or Agents has custody or control, and in order to use the amounts raised in satisfaction of any amounts that are due from the Client to Saxo Capital Markets or its Associates.

24.3 Without prejudice to Saxo Capital Markets’ other rights under the Terms or under applicable Laws, Saxo Capital Markets may, at any time and without notice, combine or consolidate all or any of the Accounts maintained by the Client with Saxo Capital Markets or any of its Associates and off-set any and all amounts owed to, or by, Saxo Capital Markets or any of its Associates in
such manner as Saxo Capital Markets at its discretion may determine.

24.4 If on any date the same amounts are payable under the Terms by each party to the other in the same currency, then, each party’s obligations to make payment of any such amount will be automatically satisfied by netting. If the amounts are not in the same currency, the amounts are converted by Saxo Capital Markets in accordance with the principles referred to in Clause 21.11.

24.5 If the aggregate amount that is payable by one party exceeds the aggregate amount that is payable by the other party, then only the difference between those aggregate amounts shall be payable by the party from whom the larger aggregate sum is due and the obligations to make payment of each party will be satisfied and discharged.

24.6 Saxo Capital Markets has the right to set off any amounts of the Client held by Saxo Capital Markets against any amounts owed by the Client to Saxo Capital Markets.

24.7 Without prejudice to Saxo Capital Markets’ other rights under these Terms or under applicable laws, Saxo Capital Markets may, at all times and without notice, to combine and consolidate all or any Accounts of the Client and all or any Accounts or assets of the Client with/or held by other Saxo Bank Group entities and set off these against all amounts owed to Saxo Capital Markets or other Saxo Bank Group entities by the Client in such a manner as Saxo Capital Markets, at its sole discretion, may determine.

24.8 If the Client, at any time during the Client relationship, has a negative cash balance in any Account, Saxo Capital Markets is entitled, but not obligated, to net between the Client’s Accounts.

24.9 If an Event of Default occurs:
   i. Saxo Capital Markets may terminate any or all arrangements and transactions with the Client, including without limitation terminating and closing out Contracts and terminating arrangements where the Client has transferred Collateral to Saxo Capital Markets under these Terms or otherwise (each a “Terminated Transaction”). Saxo Capital Markets shall do this by giving notice to the Client specifying the Terminated Transactions, and Saxo Capital Markets may close out any Contracts which are Terminated Transactions;
   ii. As soon as practicable after delivering a termination notice under Clause 24.9(i), Saxo Capital Markets shall calculate the amounts payable under each terminated and closed out Terminated Transaction (in relation to Contracts, this shall be done in accordance with the terms of each Contract and the principles set forth in the remaining paragraphs of this clause). The intention behind these calculations is to place a monetary value on every Terminated Transaction in order to calculate a single net amount owed to or by Saxo Capital Markets.

24.10 In relation to close-out netting pursuant to Clause 24.9, the value of Contracts shall be determined in accordance with the following:
   i. Rates at which the Contracts shall be closed shall be market rates applicable on the day on which Saxo Capital Markets decides to close the Contracts; and/or
   ii. Saxo Capital Markets may, at its sole discretion, determine the rates by obtaining a quote from a broker in relation to the asset in question or by applying rates from electronic financial information systems or other reasonable sources as determined by Saxo Capital Markets.

In addition to the amounts set out in i. and ii. when calculating the termination amount pursuant to Clause 24.9, Saxo Capital Markets may include any loss or cost incurred in connection with its terminating, liquidating or re-establishing any hedge related to transactions terminated.

24.11 If any obligations owed between Saxo Capital Markets and the Client that are netted or set-off are not in the same currency, the obligations shall be converted by Saxo Capital Markets in accordance with Clause 21.11.

24.12 When determining the value of obligations to be netted under this Clause 24, Saxo Capital Markets may apply its usual spreads and include all costs and other charges.

32.7 Saxo Capital Markets shall charge no separate fees in relation to the opening and closure of Accounts. In relation to the closure of any open positions, Saxo Capital Markets shall charge no separate fees except as provided by the Commissions, Charges & Margin Schedule.

32.8 Saxo Capital Markets is entitled to require the Client to pay any charges incurred in transfer- ring the Client’s investments and funds upon the termination of the Client relationship.

32.9 In the event that there have been no transactions on the Client’s Account for a period of six years after the date the Client becomes entitled to a transfer of money held in such Account (notwithstanding any payments or receipts of interest, fees or similar items) and Saxo Capital Markets is unable to trace the Client despite having taken reasonable steps to do so, the Client authorises and directs Saxo Capital Markets to treat the balance of the Client’s Account as unclaimed money to be dealt with in accordance with the provisions of the applicable unclaimed money legislation. Where Saxo Capital Markets does so, the Client will indemnify Saxo Capital Markets and not hold Saxo Capital Markets liable for that money.

33. DISPUTES AND COMPLAINTS

33.1 In case the Client has raised a question or a problem with the account executive or another employee of Saxo Capital Markets without receiving a satisfactory answer, the Client is entitled to, via e-mail, file a written complaint with Saxo Capital Markets at ComplianceAU@saxomarkets.com. Saxo Capital Markets will investigate and answer the complaint.

33.2 If the Client is not satisfied with Saxo Capital Markets’ response, the Client may, if eligible, file a complaint with the Australian Financial Complaints Authority. Further details can be found on Saxo Capital Markets’ website, www.home.saxo/en-au.

33.3 Without prejudice to any of Saxo Capital Markets’ other rights under these Terms, and in case of a dispute between the Client and Saxo Capital Markets over a Margin Position or alleged Margin Position or any instruction relating to a Margin Position, Saxo Capital Markets is entitled, at its sole discretion and without notice, to close any such Margin Position or alleged Margin Position, if Saxo Capital Markets believes such action to be desirable for the purpose of limiting the maximum amount involved in the dispute. Saxo Capital Markets shall not be responsible to the Client for any subsequent fluctuations in the price level of the relevant Margin Position. Saxo Capital Markets shall take reasonable steps to inform the Client that Saxo Capital Markets has taken such action as soon as practicable possible after doing so.

33.4 Where Saxo Capital Markets closes a Margin Position or alleged Margin Position in accordance with Clause 33.3 the closing shall be without prejudice to the Client’s rights to open new Margin Positions, provided that such new Margin Positions are opened in accordance with
these Terms. When calculating Collateral or other funds required for such new Margin Positions by the Client, Saxo Capital Markets is entitled, on an individual basis, to impose specific Margin Requirement or other requirements upon such new Margin Positions.

34. GUARANTEE AND INDEMNITY

34.1 The terms of this Clause 35 are incorporated into the Deed of Guarantee and Indemnity (included in the application form) and are agreed to by each person who executes a Deed of Guarantee and Indemnity as a “guarantor” in relation to the Client (Guarantor). The Deed of Guarantee and Indemnity refers to and incorporated by reference this Clause 34.

34.2 The Guarantor guarantees to Saxo Capital Markets the performance by the Client of its obligations in relation to any of the Client’s Accounts or any Contracts traded by or on behalf of the Client.

34.3 The Guarantor will indemnify and keep indemnified Saxo Capital Markets and its employees, agents and representatives against any and all liability or loss (including any consequential loss or damage suffered by Saxo Capital Markets) arising from, and any reasonable costs (including any reasonable legal costs and expenses on a solicitor and own client basis), damages, charges and expenses incurred by Saxo Capital Markets, associated with any default (whether by act or omission) of the Client to:

i. pay to Saxo Capital Markets any moneys which are due and payable by the Client in relation to any Account; or

ii. fulfil any of its obligations to Saxo Capital Markets.

34.4 If there are multiple guarantors, the guarantee and indemnity provided under the Deed of Guarantee and Indemnity are principal and continuing several obligations of each person who signs the document as a Guarantor.

34.5 Termination of all or any part of an Account, or these Terms will not be affected in any way by:

i. any particular circumstance or waiver given or allowed by Saxo Capital Markets to the benefit of the Client or a Guarantor;

ii. any modification or variation of an Account or these Terms;

iii. any other person signing a Deed of Indemnity and Guarantee in relation to the Client or giving any other credit support to Saxo Capital Markets regarding the Client’s obligations to Saxo Capital Markets;

iv. any change in the constitution of Saxo Capital Markets or the Client; or

v. any other thing that would otherwise affect the obligations of a Guarantor.

34.6 To the extent permitted by law, the guarantee and indemnity described in and given pursuant to this Clause 34 are in addition to and will not be affected by, any other security held by Saxo Capital Markets in relation to the obligations of the Client or the Guarantor.

34.7 Each Guarantor acknowledges that:

i. Saxo Capital Markets may in its sole discretion choose to enforce the Deed of Guarantee and Indemnity against any one or more Guarantors;

ii. the Deed of Guarantee and Indemnity applies to an Account from the time the Account is opened even if that date is earlier than the date of the Deed of Guarantee and Indemnity;

iii. it will take all steps necessary to discharge its obligations under the Deed of Guarantee and Indemnity and it will pay on demand from Saxo Capital Markets a sum equal to all moneys due and payable by the Client to Saxo Capital Markets under the Terms and the amount of Saxo Capital Market’s loss suffered or liability incurred in relation to the Client without set-off or counter claim;

iv. it has read and understood these Terms; and

v. the Deed of Guarantee and Indemnity is properly and validly executed.

34.8 To the extent permitted by law, the guarantee and indemnity described in and given pursuant to this Clause 34 are in addition to and will not be affected by, any other security held by Saxo Capital Markets in relation to the obligations of the Client or the Guarantor.
35. GOVERNING LAW AND JURISDICTION

35.1 The relationship between Saxo Capital Markets and the Client, any order, instruction and Contract and these Terms are subject to and shall be construed in accordance with the laws of New South Wales as the sole and exclusive governing law.

35.2 The Client and Saxo Capital Markets agree that the courts of New South Wales shall have exclusive jurisdiction over disputes regarding (i) the relationship between Saxo Capital Markets and the Client, (ii) any order and Contract and (iii) these Terms. However, Saxo Capital Markets reserves the right to commence proceedings in any competent court and jurisdiction that it may find suitable, including, but not limited to, jurisdictions in which the Client is a citizen or resident and jurisdictions in which the Client possesses assets.

35.3 This Clause 35 shall survive any termination of the relationship between Saxo Capital Markets and the Client.

36. STATUS OF TERMS, COUNTRY ANNEXES, ADDITIONAL APPLICABLE BUSINESS TERMS, ETC.

36.1 All Contracts are entered into in reliance on the fact that these Terms and all Contracts form a single agreement between the Client and Saxo Capital Markets, and the parties would not otherwise enter into any Contracts. Without limiting the foregoing, all obligations between the Client and Saxo Capital Markets, including the Secured Obligations, are connected and originate from one and the same commercial relationship.

36.2 If, at any time, any provision of these Terms is or becomes illegal, invalid or unenforceable in any respect under the laws of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of these Terms under the law of that jurisdiction nor the legality, validity or enforceability of such provision under the laws of any other jurisdiction shall be in any way affected.

36.3 As an integrated part of these Terms, Clients resident, incorporated or organised (as applicable) in certain countries are subject to additional terms set out in country annexes to these Terms. These country annexes supplement and have priority over the rest of the Terms in respect of the Clients to which they apply.

36.4 In addition to these Terms, all other terms and policies, including but not limited to the "Combined Financial Services Guide & Product Disclosure Statement", the "Conflict of Interest Policy", the "Order Execution Policy" made available on Saxo Capital Markets’ website, www.home.saxo/en-au, shall apply to the relationship between Saxo Capital Markets and the Client.

36.5 The Client may not assign or transfer any of its rights or obligations under these Terms and/or a Contract.

36.6 For various investments, instruments and groups of Clients, Saxo Capital Markets may provide additional business terms.

Such business terms made available to Clients shall constitute an addition to the Terms. The Client should not undertake any transaction unless the business terms applicable for such investment, instrument or group of Clients have been understood and accepted.

Transactions undertaken by the Client notwithstanding above, shall be deemed as had this subclause indeed been complied with.

36.7 Saxo Capital Markets may assign or transfer any of its rights or obligations under these Terms and/or a Contract to any regulated financial institution.

36.8 All transactions undertaken by the Client shall be subject to these Terms.

36.9 The rights and remedies contained in these Terms are cumulative and not exclusive of any rights or remedies provided by law.

36.10 No delay or omission on the part of Saxo Capital Markets in exercising any right, power or remedy provided by law or under these Terms, or partial or defective exercise thereof, shall:

i. Impair or prevent further or other exercise
of such right, power or remedy; or
ii. Operate as a waiver of such right, power or remedy.

36.11 No waiver of any breach of these Terms shall (unless expressly agreed in writing by the waiving party) be construed as a waiver of a future breach of the same Clause or as authorising a continuation of the particular breach.

36.12 By accepting the Terms on behalf of a corporation or other legal entity, the person signing represents and warrants that he/she is authorised to act on behalf of such corporation or legal entity and to bind the same to the Terms and all obligations arising hereunder. If at a later stage it becomes apparent that the signatory was not duly authorised to bind the corporation or legal entity, Saxo Capital Markets will have the right to seek restitution from this person. Furthermore, the signatory shall indemnify Saxo Capital Markets against all liabilities, losses, damages, costs and expenses in relation to any claims or actions brought against Saxo Capital Markets as a result of the signatory holding out to be authorised to act and bind any such corporation or legal entity.

36.13 Saxo Capital Markets or third parties may have provided the Client with translations of these Terms. The original English version of these Terms shall be the only version that is legally binding upon the Client and Saxo Capital Markets. In case of discrepancies between (i) the original English version and (ii) other translations of these Terms, the original English version, provided on Saxo Capital Markets’ website, www.home.saxo/en-au, shall prevail.

36.14 The Client accepts that Saxo Capital Markets may be closed on significant Australian holidays.

36.15 If there is any conflict between these Terms and relevant Market Rules, the Market Rules shall prevail.

37. SMSF TRUSTEES

37.1 This Clause 37 applies only to Clients who have entered into the Terms in their capacity as trustee of a self-managed super fund (“SMSF”).

37.2 Under the Terms, Saxo Capital Markets takes security over the Client’s assets to secure the Client’s obligations and liabilities to Saxo Capital Markets and has the right to sell, transfer or otherwise dispose of the Client’s secured assets in certain circumstances. However, under regulation 13.14 of the Superannuation Industry (Supervision) Regulations 1994 ("Regulations"), SMSF trustees cannot agree to these and related provisions in the Terms, as an SMSF trustee is prohibited from giving a charge over, or in relation to, an asset of the SMSF.

37.3 Saxo Capital Markets and the Client agree that the Terms are amended as follows:

i. sub-Clause 11.2(vi) is deleted and replaced with the word “deleted”;
ii. sub-Clause 20.6(iv) is deleted and replaced with the word “deleted”;

38. RISK DISCLOSURE STATEMENT FOR TRADES IN FOREIGN EXCHANGE AND DERIVATIVES (INCLUDING CFDS, FUTURES AND OPTIONS)

This brief statement, which constitutes an addition to these Terms, does not disclose all of the risks and other significant aspects of trading foreign exchange and derivatives. In consideration of the risks, you should enter into transactions with the mentioned products only if you understand the nature of the contracts and the contractual legal relationship into which you are entering and the extent of your exposure to risk. Transactions in foreign exchange and derivatives are not suitable for many members of the public. You should carefully consider whether transacting is appropriate for you in light of your experience, objectives, financial resources and other relevant circumstances.

FOREIGN EXCHANGE AND DERIVATIVES

1  Effect of "Leverage" or "Gearing"

Transactions in foreign exchange and derivatives carry a high degree of risk. The amount of initial margin may be small relative to the value of the foreign exchange or derivatives contract so that transactions are "leveraged" or "geared". A relatively small market movement will have a proportionately larger impact on the funds you have de-posted or will have to deposit; this may work against you as well as for you. You may sustain a total loss of initial margin funds and any additional funds deposited with Saxo Capital Markets to maintain your position. If the market moves against your position and/or Margin Requirement is increased, you may be called upon to deposit additional funds on short notice to maintain your position. Failing to comply with a request for a deposit of additional funds, may result in closure of your position(s) by Saxo Capital Markets on your behalf and you will be liable for any resulting loss or deficit.

2  Risk reducing Orders or Strategies

The placing of certain orders (e.g. "stop loss" orders, where permitted under local law, or "stop limit" orders), which are intended to limit losses to certain amounts, may not be adequate given that market conditions make it impossible to execute such orders, e.g. due to illiquidity in the market. Strategies using combinations of positions, such as "spread" and "straddle" positions may be as risky as taking simple "long" or "short" positions.

OPTIONS

3  Variable Degree of Risk

Transactions in options carry a high degree of risk. Purchasers and sellers of options should familiarise them-selves with the type of option (i.e. put or call) which they contemplate trading and the associated risks. You should calculate the extent to which the value of the options must increase for your position to become profitable, taking into account the premium and all transaction costs. The purchaser of options may offset or exercise the options or allow the option to expire. The exercise of an option results either in a cash settlement or in the purchaser acquiring or delivering the underlying interest. If the option is on a futures, the purchaser will acquire a futures position with associated liabilities for margin (see the section on leverage or gearing above). If the purchased option is out of the money when it expires, you will suffer a total loss of your investment, which will consist of the option premium plus transaction costs. If you are contemplating purchasing out of the money options, you should be aware that the chance of such options becoming profitable ordinarily is remote.

Selling ("writing" or "granting") an option generally entails considerably greater risk than purchasing options. Although the premium received by the seller is fixed, the seller may sustain a loss well in excess of that amount. The seller will be liable for additional margin to maintain the position if the market moves unfavourably. The seller will also be exposed to
the risk of the purchaser exercising the option and the seller will be obligated to either settle the option in cash or to acquire or deliver the underlying interest. If the option is on a future, the seller will acquire a position in a future with associated liabilities for margin (see the section on leverage or gearing above). If the option is "covered" by the seller holding a corresponding position in the underlying interest, in a future or in another option, the risk may be reduced. In case the option is not covered, the risk of loss can be unlimited.

Certain exchanges in some jurisdictions permit deferred payment of the option premium, exposing the purchaser to liability for margin payments not exceeding the amount of the premium. The purchaser is still subject to the risk of losing the premium and transaction costs. When the option is exercised or expires, the purchaser is responsible for any unpaid premium outstanding at that time.

ADDITIONAL RISKS COMMON TO FOREIGN EXCHANGE AND DERIVATIVE TRANSACTIONS

4 Terms and Conditions of Contracts

You should ask the firm with which you deal about the terms and conditions of the Contracts entered into and information on associated obligations (e.g. the circumstances under which you may become obligated to make or take delivery of the underlying interest of a futures contract and, in respect of options, expiration dates and restrictions on the time for exercise). Under certain circumstances the specifications of outstanding contracts (including the exercise price of an option) may be modified by the exchange or clearing house to reflect changes in the underlying interest.

5 Suspension or Restriction of Trading and Pricing Relationships

Market condition (e.g. illiquidity) and/or the operation of the rules of certain markets (e.g., the suspension of trading in any contract or contract month because of price limits or "circuit breakers") may increase the risk of loss by making it difficult or impossible to effect transactions or close/offset positions. If you have sold options, this may increase the risk of loss.

Normal pricing relationships between the underlying interest and a derivative do not always exist. The absence of an underlying reference price may make it difficult to judge "fair" value.

6 Deposited Cash and Property

You should familiarise yourself with the protections accorded the Collateral you deposit by way of money or other assets in domestic and foreign transactions, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money or other assets is governed by the legislation and local rules in the country at which location the counterparty acts.

7 Commission and Other Charges

Before you begin to trade, you should obtain a clear explanation of all commission, fees and other charges for which you will be liable. These charges will affect your net profit or loss.

8 Transactions In Other Jurisdictions

Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose you to additional risk. Such markets may be subject to regulation, which may offer different or diminished investor protection. Your local regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where your transactions have been effected.

9 Currency Risks

The profit or loss in transactions in foreign currency denominated contracts in another currency than your account currency will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to the account currency.
10 Trading Facilities

Most open outcry and electronic trading facilities are supported by computer based component systems for the order routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary; you should ask the firm with which you deal for details in this respect.

11 Electronic Trading

Trading on an electronic trading system may differ not only from trading in an open-outcry market but also from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that your order is either not executed according to your instructions, is not executed at all and a lack of capability to keep you informed continuously about your positions and fulfilment of the Margin Requirement.

12 Off Exchange Transactions

In some jurisdictions firms are permitted to effect off-exchange transactions. The firm with which you deal may be acting as your counterpart to the transaction. It may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before you undertake such transactions, you should familiarise yourself with applicable rules and attendant risks.

These Terms are applicable from 14 March 2019 and shall remain effective until a more recent version is released. The prevailing version of these Terms is always available at www.home.saxo/en-au.
