

黃祥輝 (Henry) 人稱Henry Sir, 為 Investology 的創辦人, 是香港著名的期權導師之一。Henry曾任NOW TV 財經台「理財有方」節目嘉賓及 DBC 數碼電台「今日大贏家」任節目嘉賓主持。Henry 亦會定期於網上發放及分享有關資產管理及投資的知識及資訊。

Henry 憑著多年股票及期權買賣經驗, 研製出不同的期權投資策略, 有別於坊間透過期權「以小博大」的教學的方法及理念。Henry於低波幅環境, 急升暴跌環境及無方向環境下透過期權成交數據分析現時市場環境, 制定不同的期權投資組合及策略。Henry 的期權策略以風險管理為大前題, 在可控風險及最大優勢的情況下令組合回報最大化。Henry亦自行研發的期權分析系統 Options Dynamics 及出版的「期權大贏家」一書深受期權投資者歡迎。

Henry 於香港大學畢業, 現在是香港大學基金會的永久榮譽顧問。Henry現任東驥基金管理有限公司另類投資組合管理總監 (Head of Alternative portfolio Management Service), 負責為投資組合制定期權對沖及投資策略。

Henry Wong is the Founder of Investology, one of the most famous tutors to stock options trading. He has been the guest host of a financial radio programme with DBC (Digital Broadcasting Corporation) and a guest on financial programmes at NOW TV. Henry also regularly posts information on-line related to asset management and investment knowledge.

With his rich trading experience in the stock and options markets, Henry has developed different options investment strategies over the years by analysing market trends through stock options deals under low volatility, market surge and slump, directional and neutral situations.

Henry emphasises that Risk Management is the most crucial factor in all strategies in order to maximise the profits of portfolios, and has developed his own Options Dynamics philosophy. He recently published a very well-received book - *Winners in Stock Options Trading*. As well as holding a Bachelor's degree in Social Sciences from The University of Hong Kong, Henry is a Lifetime Honorary Advisor to The University of Hong Kong Foundation. He now works for Pegasus Asset Management as Head of Alternative Portfolio Management Services, responsible for designing stock options trading portfolios and strategies.
