## Risk Warning

16. The value of your investments can go down as well as up. Past performance is not a guide to future performance, and it is important that you understand that with investments, your capital is at risk. Margin trading in particular carries a high level of risk and may not be suitable for all investors. Losses can exceed deposits on margin products. It is your responsibility to ensure that you make an informed decision about whether or not to invest with us. If you are still unsure if investing is right for you, please seek independent advice.

## Date

17. These Terms are dated 01.09.2023.
