

PROFILE

Established in 1992, Saxo Bank was one of the first financial institutions to develop an online trading platform that provided ordinary investors with the same tools and market access as the professionals.

An EU-regulated bank headquartered in Copenhagen, Denmark, Saxo Bank has a strong international network with local offices in 25 countries across Europe, Asia, Australia, South America, Africa and the Middle East. Through our local sales and service organisation and global online presence, Saxo Bank serves clients in more than 180 countries, and our trading platforms are available in 25 different languages.

WHAT WE DO

Saxo Bank is an online investment bank, focusing on trading in global capital markets, including FX, equities, commodities, energy, precious metals, ETFs etc. The FX product range comprises spot FX, forwards, options, binary touch options and CFDs on FX. Equities are traded in the form of cash stocks, CFDs on single stocks, CFDs on stock indices, exchange traded Contract options, ETFs (exchange traded Funds) and ETCs (exchange traded Commodities). Commodities are traded in the form of Futures, CFDs and Contract options.

These products are all traded on Saxo Bank's proprietary online trading platform, available in several versions including the downloadable SaxoTrader and the new intuitive and device agnostic SaxoTraderGO, enabling a seamlessly integrated trading experience across desktop, mobile and tablet.
